

September 20, 2002

Dear AMD Member,

On page 1 of the Summer 2002 issue of the AMD Newsletter, the photograph of Stelios Kyriakides, the current Chair of the Applied Mechanics Division, appeared in place of the photograph of the past chair Dusan Krajcinovic. The correct photograph appears below.

We regret the error.

Edison Aulestia
ASME International
Engineering Programs Department
Senior Program Manager

Dusan Krajcinovic
