MEMORANDUM

Subject: Status of TCVS Web Page

From: C. A. Tan, TCVS Vice Chair

For: TCVS Spring Meeting, 14 March, 1999, 1-3 p.m.

Date: 12 March, 1999

A draft of the web page has been constructed. Future actions include:

- **Contact ASME to set up a link from there.**
- **Current link is at <http://www.eng.wayne.edu/~ME/asmetcvs/index.html> (the front home page is attached with this memo for your reference). All TCVS members are encouraged to visit that link and provide me with feedback and comments for changes.**
- **Improve the front page to have a short introduction of who we are and what we are doing, etc. Also create links to important conferences that TCVS are involved in and symposia sponsored by TCVS (except those under the Vibration Conference), links to other related ASME committees, include a counter, etc. Please provide me with as much useful information as possible in the future.**
- **TCVS members should e-mail me your home page address so that I can link your name (under Roster button) to your home page.**

Current Structure of the Page (see attached front page):

- **"By Laws" button — Document file on the by laws of TCVS.**
- **"Operating Procedures" button — Document file on the Standard Operating Procedures (SOP) of TCVS.**
- **"Minutes" button — Links to the minutes and agendas of the current and last meetings.**
- **"Roster" button — Roster for TCVS members, ex-officials, friends, with e-mail links already established (for those who have provided e-mail addresses). Once I have the links of individual home pages, I will include those into this page.**
