June 2007

Dear friend of CIMAC,

this is the issue no. 18 of the CIMAC Newsletter to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- the **25th CIMAC Congress 2007, May 21 – 24, 2007, in Vienna**

was a successful event. The final programme as well as visual Congress impressions and key note speech presentations are now available at

http://www.cimac.com/congress_2007/congress_2007.htm

- the CIMAC Working Group 8 'Marine Lubricants' has published a new **CIMAC Recommendation No. 26 'Guidelines for diesel engine lubrication - Impact of low sulphur fuel on lubrication of marine engines'**. The new CIMAC recommendation is available in the CIMAC Technical Paper Database at <http://www.cimac.com/services/Index1-techpaperdatabase.htm>
Free access to the CIMAC Technical Paper Database is for **CIMAC Members only**. If you are not a CIMAC member you can log in in the 'guest status' and purchase any of the papers of the database.
- **On June 13, 2007**, at **Norshipping** the Norwegian CIMAC NMA organised a CIMAC panel discussion on **'Future Marine Fuels - Challenges to the Marine Industry'**. The event was well attended and a fruitful and interesting discussion with the audience took place. The panel presentations are available at http://www.cimac.com/congress_events/Index1-events.htm then select the button 'Other events' in the top navigation line.
