October 2009

Dear friend of CIMAC,

this is the issue no. 28 of the CIMAC Newsletter to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- On **Nov. 26, 2009**, CIMAC is starting a new event aimed at younger engineers, hosted by Germanischer Lloyd in **Hamburg**. The topic of the first **CIMAC CASCADES** is '**Fuel injection & fuels**'. Our aim of this event is to create a discussion forum for younger engineers and leading industry experts to offer a networking possibility for them. The vision of this seminar is presenting case studies from latest development projects. For further details as well as invitation download and registration please visit http://www.cimac.com/congress_events/local-events.asp
- the **CIMAC Circle 2009** will take place on **Dec. 3, 2009**, at **Marintec Shanghai**. This year's topic of the panel discussion is '**Life-cycle costs – the impact of fuel and emissions**'. Participation is free of charge, however, online **registration** is required at the **latest by Nov. 13, 2009**. More information as well as invitation download and online registration are available at http://www.cimac.com/congress_events/Index1-events.htm
- Preparations for the **26th CIMAC Congress in June 2010** are continuing. **Exhibition space** is still available. For further information and **bookings** please visit <http://www.cimac.com>
