Dear friend of CIMAC,

this is the issue no. 29 of the CIMAC Newsletter to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- The **1st Announcement** for the **26th CIMAC Congress in June 2010** is now out and can be downloaded from http://www.cimac.com/congress_2010/fa.asp
- On **Nov. 26, 2009**, CIMAC has started a new event aimed at younger engineers, hosted by Germanischer Lloyd in **Hamburg**. The topic of the first **CIMAC CASCADES** was **'Fuel injection & fuels'**. The seminar was well attended and interesting presentation and discussions were held. For more details please see http://www.cimac.com/congress_events/local-events.asp
- the panelists of the **CIMAC Circle 2009** on **Dec. 3, 2009**, at **Marintec Shanghai** gave excellent presentations on **'Life-cycle costs – the impact of fuel and emissions'** which was followed by a lively discussions with the audience. Further details as well as the presentations for download are available at http://www.cimac.com/congress_events/Index1-events.htm

CIMAC Central Secretariat sends you Season's Greetings and best wishes for a successful New Year!
