March 2010

Dear friend of CIMAC,

this is the issue no. 30 of the CIMAC Newsletter to keep you updated on CIMAC's activities. The aim of our newsletter, which appears on an irregular basis, is to supply our members and all those interested in CIMAC and its activities with a short information on news items. Further details will be given on our website www.cimac.com – just follow the links.

- The **Preliminary Programme** for the 26th **CIMAC World Congress**, 14th – 17th June 2010 in **Bergen, Norway**, is now out. Registration has started already. The number of hotel rooms is limited therefore please register as soon as possible. For more details, the programme for download as well as the online registration please visit http://www.cimac.com/congress_2010/congress_2010.htm
- Additionally the details for the **panel discussion on the Thursday** of the Congress are now fixed. Please have a look at http://www.cimac.com/congress_2010/congress_2010.htm
- The CIMAC WG 5 EEC (Exhaust Emissions Control) has issued a position paper on **Requirements for Prime Mover Technique Specific Emission Limits**. The position paper is available at <http://www.cimac.com/workinggroups/Index1-working-groups-exhaustemission.htm>

*If you do not wish to receive
our newsletter in the future
please return this mail marked
'Unsubscribe' and we will delete
you from our mailing list.
