

# ASME Turbo Expo 2012: Welcome to Copenhagen!

# Turbo Expo 2012 Keynote:

## *Reliable Gas Turbines Operating in Extreme Environments*

**Al Brockett, Jr.**  
Pratt & Whitney

**Mark Pearson**  
GE Aviation

**Henrik Stiesdal**  
Siemens

# 2012 R. TOM SAWYER AWARD

DAVID C. WISLER

# ASME GAS TURBINE AWARD WINNERS

ROBERT J. MILLER AND MARTIN N. GOODHAND

# JOHN P. DAVIS AWARD

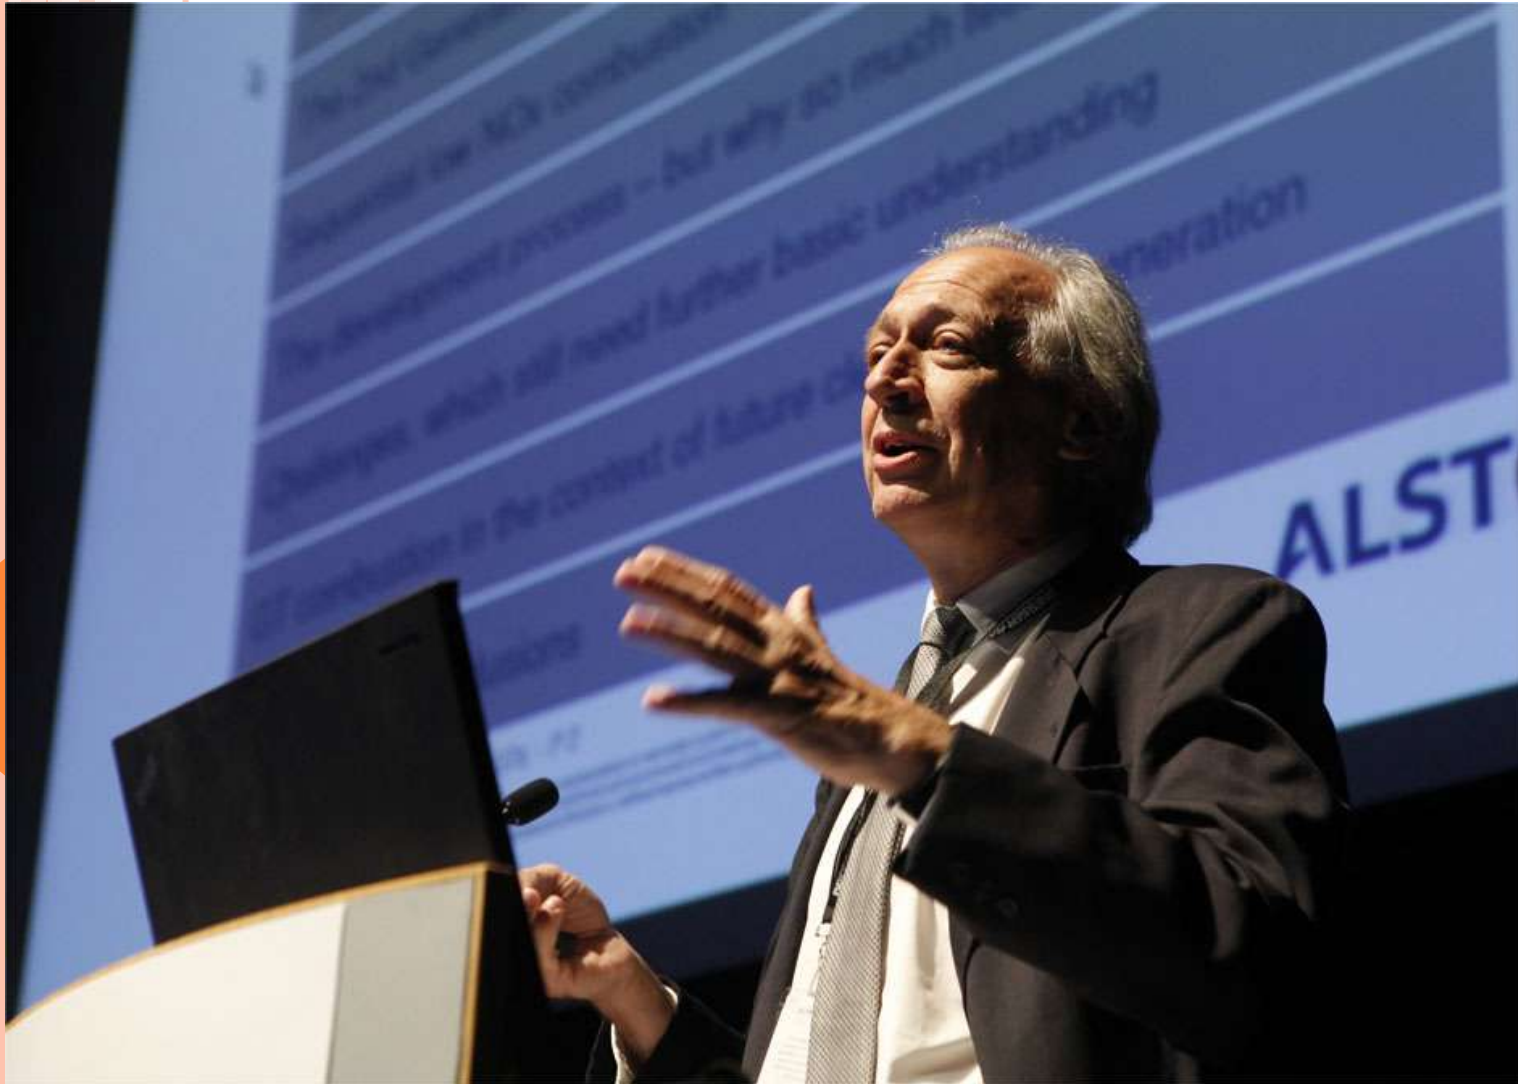

**Rakesh Srivastava and Robert E. Kielb accept the John P. Davis Award for the paper “Non-Linear Flutter In Fan Stator Vanes with Time Dependent Fixity”.**

**Additional authors not pictured:  
Kivanc Ekici, Josef Panovsky and Lawrie Virgin**

## 2012 Industrial Gas Turbine Award

**Dr.-Ing Jaan Hellat**

## 2012 AIRCRAFT ENGINE TECHNOLOGY AWARD

**Dr. Walter F. O'Brien**

**Over 1,000 technical papers were presented in Copenhagen.**

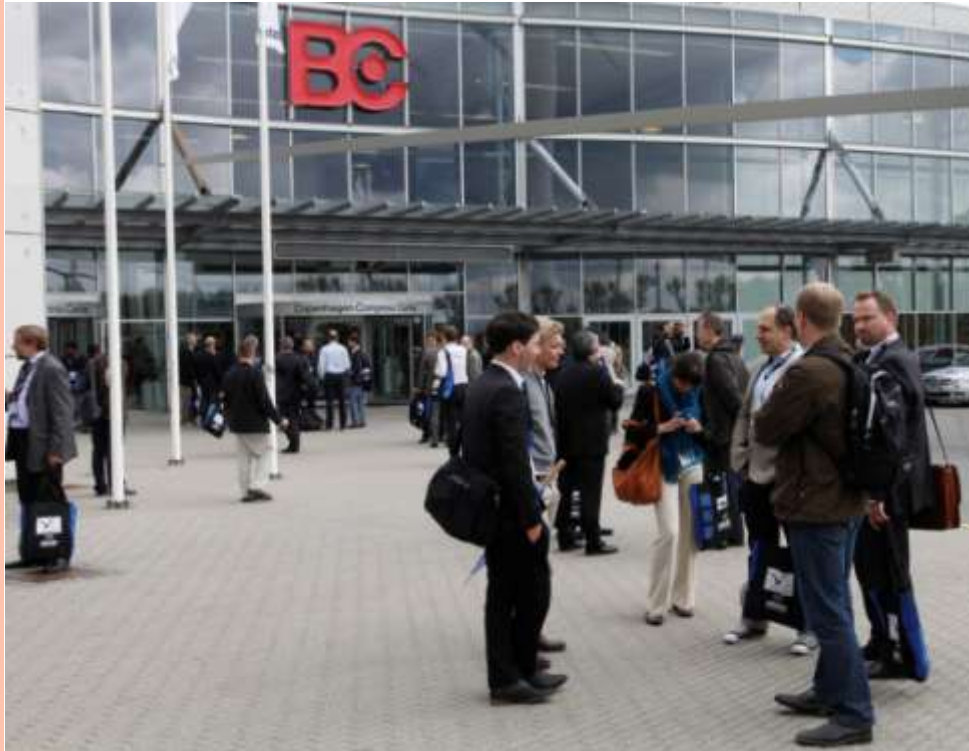

## Networking at ASME Turbo Expo

“As long as I'm in the gas turbine business, I will attend the conference. No other conference does as good a job as the ASME IGTI Turbo Expo.”

– *Milt Davis, AEDC/TSTA*

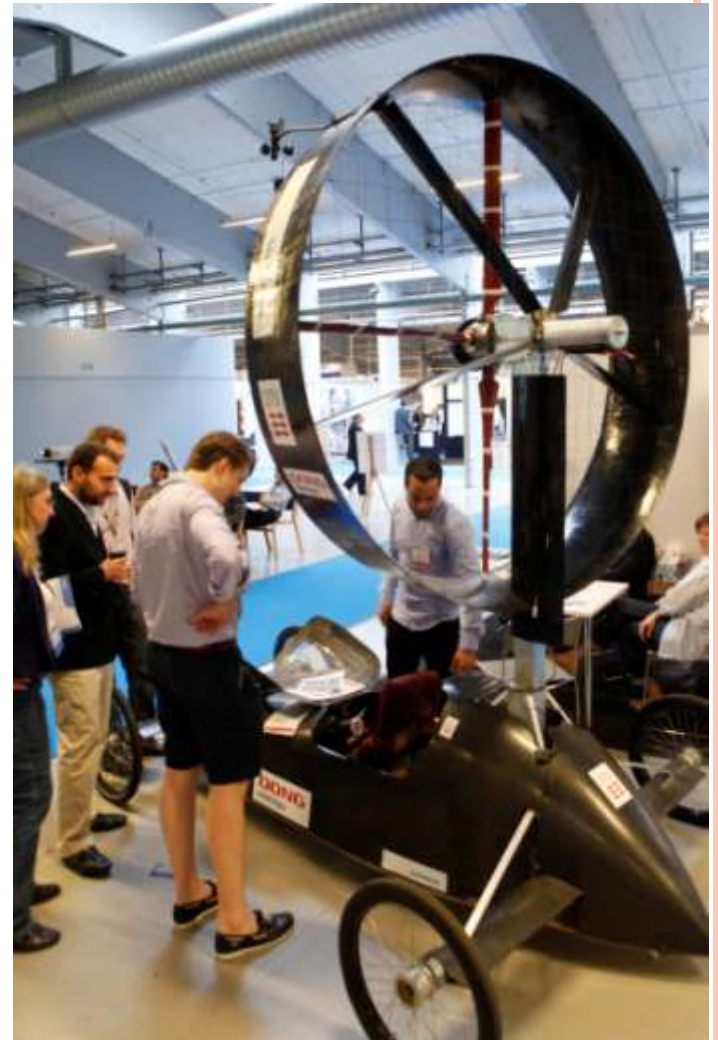

# TURBO EXPO WELCOME RECEPTION

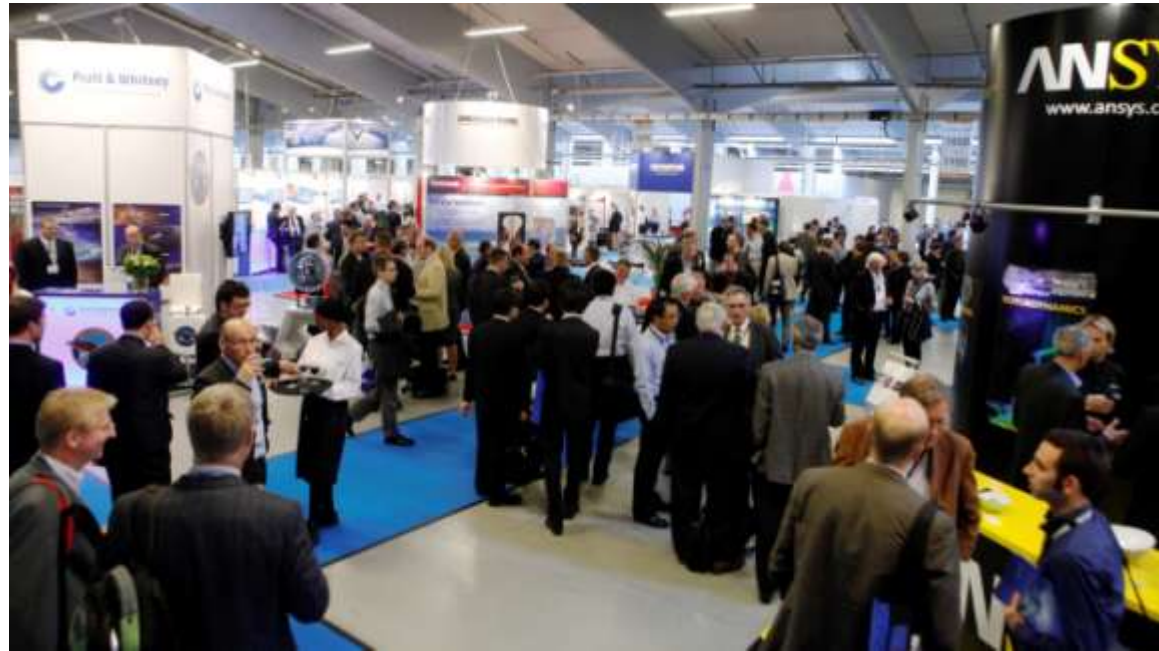

*“This is the best conference for meeting a wide spectrum of people who work in the same technical field.”*

*– John Moran, Rolls-Royce*

# 2012 Exposition

*"The Turbo Expo exhibit allows for open communication with industry experts, an opportunity for developing/cultivating new and/or existing vendor/OEM/customer relationships and most importantly is a gauge for the "health" and "face" of the gas turbine industry in a changing world." – Joseph Simonetti, Vericor Power Systems*

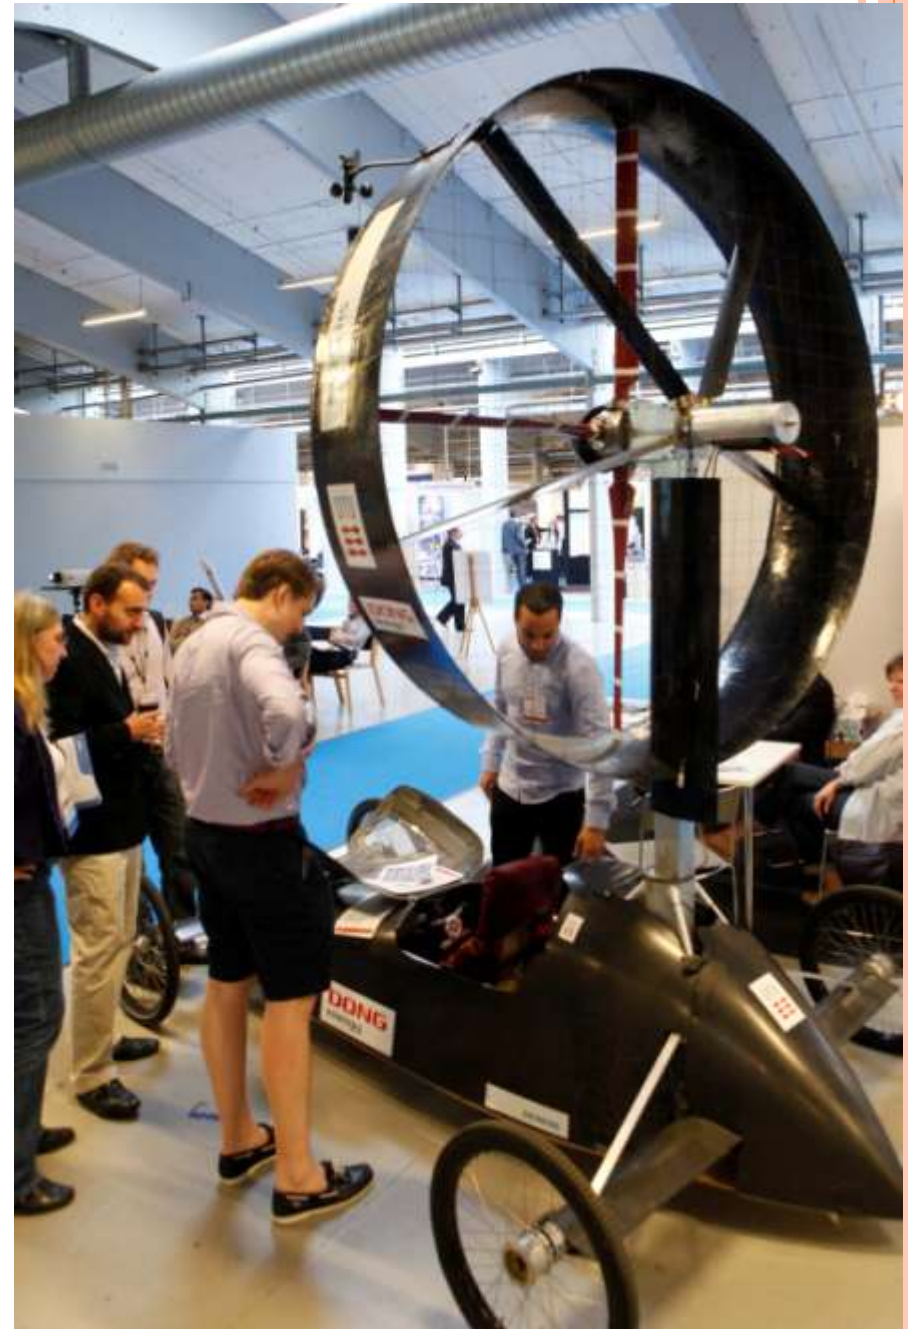

# 2012 Expo Awards

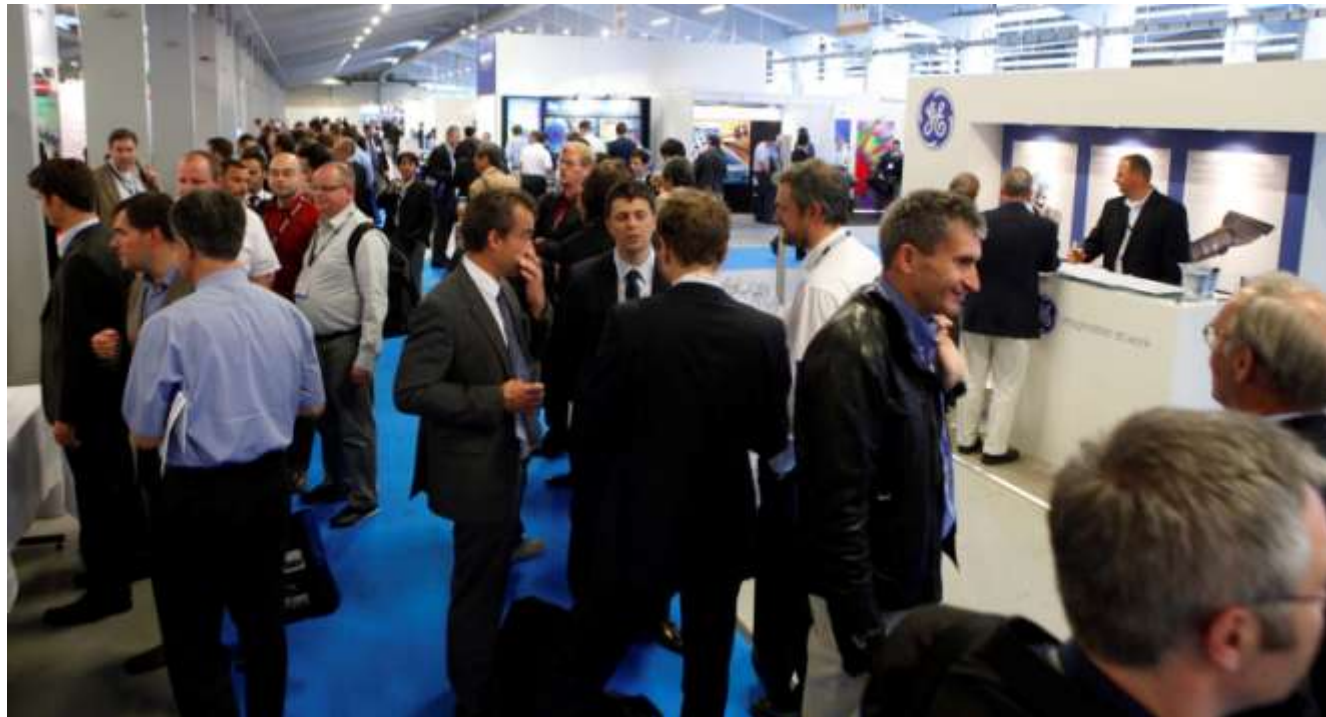

**Best Booth – Large Display:  
Pratt & Whitney**

**Best Booth – Small Display:  
TURBOCAM Intl.**

# 2012 WOMEN WORKING IN TURBOMACHINERY DINNER

**Speaker Maureen Normoyle, GE**

**Speaker Nathalie von Siemens, Siemens**

# EARLY CAREER ENGINEER NETWORKING RECEPTION

*“[Turbo Expo] draws young people with new ideas and legacy people with a wealth of real experience.”*

*- Doug Nagy, Liburdi Turbines*

# Thank You Outgoing Technical Committee Chairs!

# CONGRATULATIONS YOUNG ENGINEER TRAVEL AWARD WINNERS!
