#### TRANSACTIONS OF THE ASME

Journal Published by The American Society of Mechanical Engineers Three Park Avenue, New York, NY 10016 212-591-7792

#### JOURNALS OF:

- Applied Mechanics
- Biomechanical Engineering
- I Computing and Information Science in Engineering
- Dynamic Systems, Measurement, and Control
- I Electronic Packaging
- Energy Resources Technology
- Engineering for Gas Turbines and Power
  Engineering Materials and Technology

- Fuel Cell Science and Technology
- Heat Transfer

#### **EDITORIAL PROFILE**

The 18 journals comprising the Transactions of the ASME are peer-reviewed permanent interest technical papers covering more than 30 disciplines of mechanical engineering.

# **GENERAL ADVERTISING RATES**

Full page, 7" x 10", black and white only, Four issues of same journal within one year, each . . . . . . . . . . . . . . . . . . \$900

#### COMMISSION

Commission to recognized advertising agencies: 15% of gross billing; no cash discount.

## COPY AND CONTRACT REGULATIONS

Advertising is limited to publishing and recruitment, is subject to publisher's approval, and may be rejected if material is not in keeping with established stan-

Advertisers and their advertising agencies are liable for content of advertisements and any claims arising therefrom.

Closing date: First of month preceding date of issue.

Cancellations and changes: Accepted prior to closing date of issue in which advertising is scheduled.

#### MECHANICAL REQUIREMENTS

Preferred: electronic version submitted as native file or as PDF (with all fonts provided) accompanied by good quality hard copy. If only hard copy is available, please submit good quality for scanning purposes.

## Send insertion orders and materials to:

Advertising Department The American Society of Mechanical Engineers Three Park Avenue New York, NY 10016 Turturrom@asme.org
