

Thank you for your interest in starting a Student Section within ASME.

In order to start a Student Section a petition must be completed and signed by at least 15 individuals. The signers of the petition must also complete Student Membership Applications if they are not already Student Members.

The petition, applications and information about your school such as the curriculum and historical information should be forwarded to:

ASME  
Nicole Alston

Three Park Ave.  
New York, NY 10016
