

COMPANIES HOLDING RTP CERTIFICATES OF AUTHORIZATION

Cautionary Note: *This document is an unofficial listing of the holders of RTP Certificates of Authorization. As the status of this list changes constantly, caution is suggested in its use.*

November 2009

AN-COR INDUSTRIAL PLASTICS, INC.

100 Melody Lane
North Tonawanda, New York 14120
RTP-001

Issued: September 26, 2008 **Expires:** July 23, 2011

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop and field fabrication and shop subassembly fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of field fabrication; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location; and performance of field assembly and field repair for new construction before being placed in service

AUGUSTA FIBERGLASS

86 Lake Cynthia Road
Blackville, South Carolina 29817
RTP-009

Issued: November 7, 2007 **Expires:** December 29, 2010

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop subassembly, fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location; and performance of field assembly & field fabrication and field repair for new construction before being placed in service

BELCO MANUFACTURING COMPANY

2303 Taylor's Valley Road
Belton, Texas 76513
RTP-014

Issued: January 25, 2008 **Expires:** October 1, 2010

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop assembly fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location; and performance of field assembly and field repair for new construction before being placed in service

DIAMOND FIBERGLASS

1036 Industrial Park Drive
Victoria, Texas 77904
RTP-017

Issued: November 4, 2009 **Expires:** November 4, 2012

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop assembly, fabrication of types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of and subcontracting of design by rules and by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission, vacuum, hydrostatic, and mechanical laminate testing at the above location; and performance of field assembly and field repair for new construction before being placed in service

ERSHIGS, INC.

12050 Interchange Drive
Grand Bay, Alabama 36541
RTP-012

Issued: February 27, 2008 **Expires:** January 20, 2011

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing, and subcontracting of acoustic emission and mechanical laminate testing at the above location; and performance of field assembly, and field repair for new construction before being placed in service

ERSHIGS, INC.

742 Marine Drive
Bellingham, Washington 98225
RTP-005

Issued: August 20, 2009 **Expires:** January 4, 2012

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessels parts by shop field fabrication of types i, ii and x laminates using hand lay-up, spray-up and filament winding fabrication methods; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location; and performance of field fabrication, field assembly and field repair for new construction before being placed in service

COMPANIES HOLDING RTP CERTIFICATES OF AUTHORIZATION

November 2009

PLAS-TANKS INDUSTRIES, INC.

39 Standen Drive
Hamilton, Ohio 45015
RTP-016

Issued: September 11, 2009 **Expires:** August 1, 2012

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop subassembly, fabrication of types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location only; and performance of field assembly and field repair for new construction before being placed in service

RL INDUSTRIES, INC.

9355 Le Saint Drive
Fairfield, Ohio 45014
RTP-013

Issued: April 10, 2007 **Expires:** April 13, 2010

Scope: Manufacturer of reinforced thermoset plastic and dual laminate (lining with classification A) corrosion resistant vessels and vessel parts by shop fabrication and shop subassembly fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of hydrostatic and vacuum testing; subcontracting of acoustic emission, vacuum, and hydrostatic testing at the above location; performance of and subcontracting of mechanical testing, design by rules and design by stress analysis; performance of field fabrication and subcontracting of field assembly and field repair for new construction before being placed in service

TANKINETICS, INC.

230 Industrial Park Road
Harrison, Arkansas 72601
RTP-015

Issued: December 23, 2005 **Expires:** January 6, 2010

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessels and vessel parts by shop fabrication and shop subassembly fabrication of types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance of and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission, vacuum, hydrostatic and mechanical laminate testing at the above location; and performance of field assembly, and field repair for new construction before being placed in service

XERXES CORPORATION

Anaheim California Plant
1210 N. Tustin Avenue
Anaheim, California 92807
RTP-011

Issued: January 19, 2007 **Expires:** April 15, 2010

Scope: Manufacturer of reinforced thermoset plastic corrosion resistant vessel and vessel parts by shop fabrication and shop subassembly fabrication of Types I, II and X laminates using hand lay-up, spray-up and filament winding fabrication methods; performance and subcontracting of design by rules and design by stress analysis; performance of hydrostatic and vacuum testing and subcontracting of acoustic emission and mechanical laminate testing at the above location and performance of field assembly, and field repair for new construction before being placed in service
