

John T. Bozewicz
Division Head
Naval Surface Warfare Center

John T. Bozewicz is a Division Head at the Naval Surface Warfare Center, in Philadelphia, Pennsylvania, responsible for the Machinery Information, Sensors and Control Systems Division. He has more than 27 years of engineering and management experience. Mr. Bozewicz has a B.S. degree in Mechanical Engineering and an M.S. degree in Engineering Management from Drexel University. He is a graduate of the University of Tennessee's Executive Education Program

Mr. Bozewicz is currently the Group Leader of the American Society of Mechanical Engineers (ASME) Engineering & Technology Management Group and is a former Chairman of ASME's Management Division. As an ASME Distinguished Lecturer, Mr. Bozewicz has spoken frequently on the topic of making the transition from technical professional to engineering manager. He was also a member of the core group that pioneered the development of the Engineering Management Certification International (EMCI) initiative and currently serves as the Chair of the EMCI Body of Knowledge Committee.
