

Yollanda Zhang
Teacher Candidate (Student), Ontario Institute for Studies in
Education of the University of Toronto, Previously at GE Healthcare

Yollanda graduated from University of Waterloo in Systems Design Engineering in 2004 and joined General Electric (GE) Healthcare in the Commercial Leadership Program. After successfully completing the program, she became a Technical Sales Specialist for Cardiology IT for central and eastern Canada. While at GE Healthcare, Yollanda received two Management Awards for outstanding performance and became Six Sigma Green Belt certified. She left GE in July of 2006 to pursue a degree in Education at the University of Toronto. Her future plans include teaching high school math and physics. She is currently completing her internship at The Learning Partnership, a non-profit organization.
