*Please describe these additional activities on another sheet.

ASME STUDENT SECTIONS COMPETITION				
	CURRENT	2007-2008	2006-2007	2005-2006
ASME Student Sections Competition				

FACULTY PARTICIPATION		
	YES	NO
Is the student section advisor a member of ASME?		
Is the department chair a member of ASME?		

Part III

In three pages or less:

- 1) Describe the activities of the ASME Student Section.
- 2) Indicate how the Section has positively impacted the school's mechanical engineering or mechanical engineering technology department.
- 3) Indicate the criteria the department head will use in choosing the **ENTERING FRESHMEN** recipients of the scholarships.

Scholarships are to be awarded in the summer for **ENTERING FRESHMEN ONLY** who begin their engineering studies in the fall.

(Put the name of the section advisor and of the student section at the top of each page of Part III and staple to application.)

(NOTE: Current college/university students are NOT eligible.)

Part IV

I, the college/university department head, hereby endorse this application for consideration:

Date:

Please print name:

Signature:

Institution, Title of Department or Faculty:
