### Action Item

Subcommittee: Programs Committee

Date: 6/10/07

Scope (subject): Student District Operating Board, fall meetings

Action (what you want the SSC to do):

1. Start or support a Student District Operating Board (SDOB) in every district.
2. The SDOB would be under the jurisdiction and support of the district leader
3. The SDOB would serve to improve student life in the region
4. Presentations will be made at all fall conferences
5. The programs subcommittee will provide support, presentations, and training on how to perform such a startup.
6. The District Leader in conjunction with SSC rep will choose the 4 students to attend LTC.

Recommendation (to send it to another committee, handle it ourselves, etc):

This action item will be headed up by the programs subcommittee with work by all SSC student reps and district leaders.

Passed: **passed**

Directed to: ourselves and DLs

## STUDENT SECTIONS COMMITTEE

### Action Item

Subcommittee: Programs Committee

Date: 6/10/07

Scope (subject): Student District Operating Board funding

Action (what you want the SSC to do):

Write a development fund grant that provides short term support (~10 months) for the following:

1. Any SSC reps in a district are funded to go to all fall conferences in that district
2. 4 students are funded from each district to go to the LTC
3. An LTC track will be lead by the SSC programs subcommittee (headed by Dan Nathan-Roberts) that focuses exclusively on the SDOBs
4. 1 person from every school will be funded to attend a fall conference and the SDOB meeting (funding is contingent on participation at the SDOB meeting)
5. Other resources to assist the formation of the SDOBs

Recommendation (to send it to another committee, handle it ourselves, etc):

This action item will be headed up by the programs subcommittee with help from Burt Dict, Doug Brown, and Leonard Anderson.
