

Todd R. Allen  
Manager International Internship Programs  
Global University Recruitment Team  
Johnson & Johnson

Todd R. Allen has worked with Johnson & Johnson (New Jersey) for nearly 12 years in roles of Engineering Management, Research & Development Operations Management, Leadership Development for PhD, MS, BS scientists and engineers, and International MBA Recruitment. He has over 25 years of professional engineering practice.

Mr. Allen has been a member of ASME (the American Society of Mechanical Engineers) since 1979 and is a member of its Center for Leadership & Diversity as well as Chair of its Strategy Committee. He is active in many engineering societies and professional organizations, including the American Association of Engineering Societies where he chairs its Diversity Coalition, and the National Science Foundation. He has spoken with more than 10,000 students about science, math, engineering and technology careers since 1982.

Mr. Allen received a BS degree in engineering from Georgia Tech, an MS degree in engineering from Tulane University and a MS degree in engineering management from Syracuse University. He holds certifications in Human Resource Management, Behavioral-based Interviewing and Executive Coaching from the Hudson Institute of Santa Barbara.

Mr. Allen is a five-year volunteer chef for Helping Hand Rescue Mission in Philadelphia and a licensed Christian minister. He is President and founder of Allen Research, Technologies and Services, Inc. He is a native of Memphis, TN and has been married for almost 13 years. He and his wife have two sons.
